Parent Volunteer Opportunities

In order to create the finest learning community here at TBE, we depend on the talents, skills and energy of parent volunteers. We hope that you will find volunteer opportunities below that interest you.

It is important that parents, as role models for children, show them that we care about their Jewish education. Involvement in your child's education is an essential means of conveying your care and pride to your child(ren). We need and expect parent involvement in all of our school activities. From time to time, we will call upon you to volunteer. The school staff and your child(ren) look forward to your participation. As you choose which activities to volunteer for please consider your child's Jewish Education as a priority. This is YOUR Jewish community as well.
