MITZVAH DAY WALK-A-THON

Sunday May 4, 2008 9:30 am – 11:00 am

TO BENEFIT THE

LEO BAECK EDUCATION CENTER IN HAIFA

The Leo Baeck Education Center is one of Israel's premier institutions of progressive Jewish education. Rooted in the Jewish tradition of social action, Leo Baeck touches the lives of thousands with a unique blend of formal education and community outreach. Its programs serve a broad cross-section of Israeli society.

You can help by asking family and friends to pledge contributions for this important institution -- then join us for a scenic two mile walk, starting and ending at Temple Beth El.

Collected funds may be given to the event captains (David Abrams, Ellen Byck, Dick Goldsmith or Don Safferstein) or mailed to:

Temple Beth El of Northern Westchester
220 South Bedford Road
Chappaqua, NY 10514

Please make checks payable to Temple Beth El of Northern Westchester – write "Leo Baeck Center" in the memo section on the check.
